SUBJECT: Request for Discharge Under The Provisions of AR 635-40A and B (EPTE Conditions).

TO: Commanding General
William Beaumont General Hospital
El Paso, Texas

I request discharge for physical disability. I have been notified that, based upon preliminary findings, I am considered unfit for retention in the military service because of a physical disability which is considered to have existed prior to 24 August 1966 and which appears to be, not incident to, or aggravated by, prior or subsequent military service.

It has been fully explained to me that I am entitled as a matter of right to the same processing as any other member of the Army of the United States who is separated for physical disability, which includes consideration of my case by a Physical Evaluation Board. However, I do not elect to exercise this right.

It has been fully explained to me that as a result of this application and provided that the approved findings of a medical board corroborate the preliminary findings concerning my unfitness. I may be discharged for physical disability without further hearing. I understand that such separation will be without disability retirement or disability severance pay; however, it does not preclude my applying for benefits administered by the Veterans Administration.

I understand that in the event this application is approved, I will be honorably separated unless other circumstances connected with my period of service require a different type of separation.

PLACE OF SEPARATION (Hospital or other separation activity)

INSTRUCTIONS

Each officer and enlisted person being processed for separation from active military service for any reason who has undergone prolonged hospitalization, or suffered from wounds, injury or disease while in service, is advised to apply for compensation from the Veterans Administration by completing VA Form 21-526e. Each individual who had a physical defect when he entered the service which he feels was aggravated by military service should file VA Form 21-526e. You are further advised that, if you do not apply for compensation from the Veterans Administration by completing VA Form 21-526e at the time of separation, you may do so at any time thereafter; that, if you do intend to file, it is advisable to do so before you leave the service as at that time your medical records are more easily obtainable and action by the Veterans Administration on your claim will be expedited thereby; and that filing VA Form 21-526e will in no way delay your separation. When you have read the above paragraph, place your initials at the end of this sentence.

ARMED FORCES SECURITY QUESTIONNAIRE

I.—EXPLANATION

1. The interests of National Security require that all persons being considered for membership or retention in the Armed Forces be reliable, trustworthy, of good character, and of complete and unwavering loyalty to the United States. Accordingly, it is necessary for you to furnish information concerning your security qualifications. The answers which you give will be used in determining whether you are eligible for membership in the Armed Forces, in selection of your duty assignment, and for such other action as may be appropriate.

2. You are advised that in accordance with the Fifth Amendment of the Constitution of the United States you cannot be

compelled to furnish any statements which you may reasonably believe may lead to your prosecution for a crime. This is the only reason for which you may avail yourself of the privilege afforded by the Fifth Amendment in refusing to answer questions under Part IV below. Claiming the Fifth Amendment will not by itself constitute sufficient grounds to exempt you from military service for reasons of security. You are not required to answer any questions in this questionnaire, the answer to which might be incriminating. If you do claim the privilege granted by the Fifth Amendment in refusing to answer any question, you should make a statement to that effect after the question involved.

II.—ORGANIZATIONS OF SECURITY SIGNIFICANCE

1. There is set forth below a list of names of organizations, groups, and movements, reported by the Attorney General of the United States as having significance in connection with the National Security. Please examine the list carefully, and note those organizations, and organizations of similar names, with which you are familiar. Then answer the questions set forth in Part IV below.

2. Your statement concerning membership or other association with one or more of the organizations named may not, of itself, cause you to be ineligible for acceptance or retention in the

Armed Forces. Your age at the time of such association, circumstances prompting it, and the extent and frequency of involvement, are all highly pertinent, and will be fully weighed. Set forth all such factors under "Remarks" below, and continue on separate attached sheets of paper if necessary.

3. If there is any doubt in your mind as to whether your name has been linked with one of the organizations named, or as to whether a particular association is "worth mentioning," make a full explanation under "Remarks."
